

# Have Questions? Get Answers through Let's Talk!

**To start a new dialogue, follow these simple steps:**

1. Navigate to the Let's Talk! icon on our district webpage.
2. Select the topic that most closely matches your inquiry.
3. Write down your question or concern and click "Submit" to start the conversation!

We're excited to introduce Let's Talk!, a customer experience and intelligence solution that makes it easier than ever to get in touch with us.

To ask a question, share feedback, or request information, simply submit a dialogue. No matter how you reach out — from a smartphone or tablet, via email, text or with a phone call — the automatic routing system will ensure an accurate response from the right person or department.

You don't need an email address or internet connection to submit a dialogue with Let's Talk! The system accepts new inquiries 24/7, and automatically translates to many languages, including: Arabic, Chinese (Simplified), Hindi, Somali\*, Spanish, Vietnamese, and others.

Next time you have a question or concern, get answers with Let's Talk!

**Your voice matters — and we can't wait to hear from you.**
